## CORPORATE PHILOSOPHY

Dear Sir / Madam,

I take immense pleasure in introducing you to - **SAICARE SERVICES Pvt Ltd.**

Saicare Pest Control Services is Mumbai's locally owned provider of innovative pest control services and techniques making our service to you more effective, safer and convenient. We provide essential proactive pest elimination services to residential, commercial, industrial customers. We have been looking after the interest of thousands of individuals by protecting their homes, offices, factories, godowns etc. from Termites and other unwelcome Pests and thereby making their life more happy... safe... & comfortable... If you have been fed up with Termites and other Pest related problems and looking for a "PEST ELIMINATOR".... we may be the answer you are looking for.

The Saicare Group Services pushes the limits of Technology create visual systems of the utmost quality. With the highest of ethical standards and pure dedication to excellence in all operational aspects. We aspire to exceed our customers' expectations. We recognize one of the challenging issues to date is environmental conservation and uncompromising in our dedication to this integral element in all our business activities.

Saicare Pest Control Initial is organized to deliver services by local people. We are knowledgeable, caring and empathetic. Saicare Pest Control is characterized by lean, efficient management that supports a broad-based service network. That means there's always a Saicare Pest Control Technician nearby when a customer needs one. Our mission is to provide our clients with the highest level of pest control service in a cost-effective manner that minimizes risk potential and delivers the highest level of customer service. We provide customizable, strategic and economically viable Pest control services to both Commercial & Residential Customers in India.

## Our Clients

We have deep, ongoing experience in a variety of industries, but we have the experience and horsepower to provide service to any type of business.

## Our Leadership

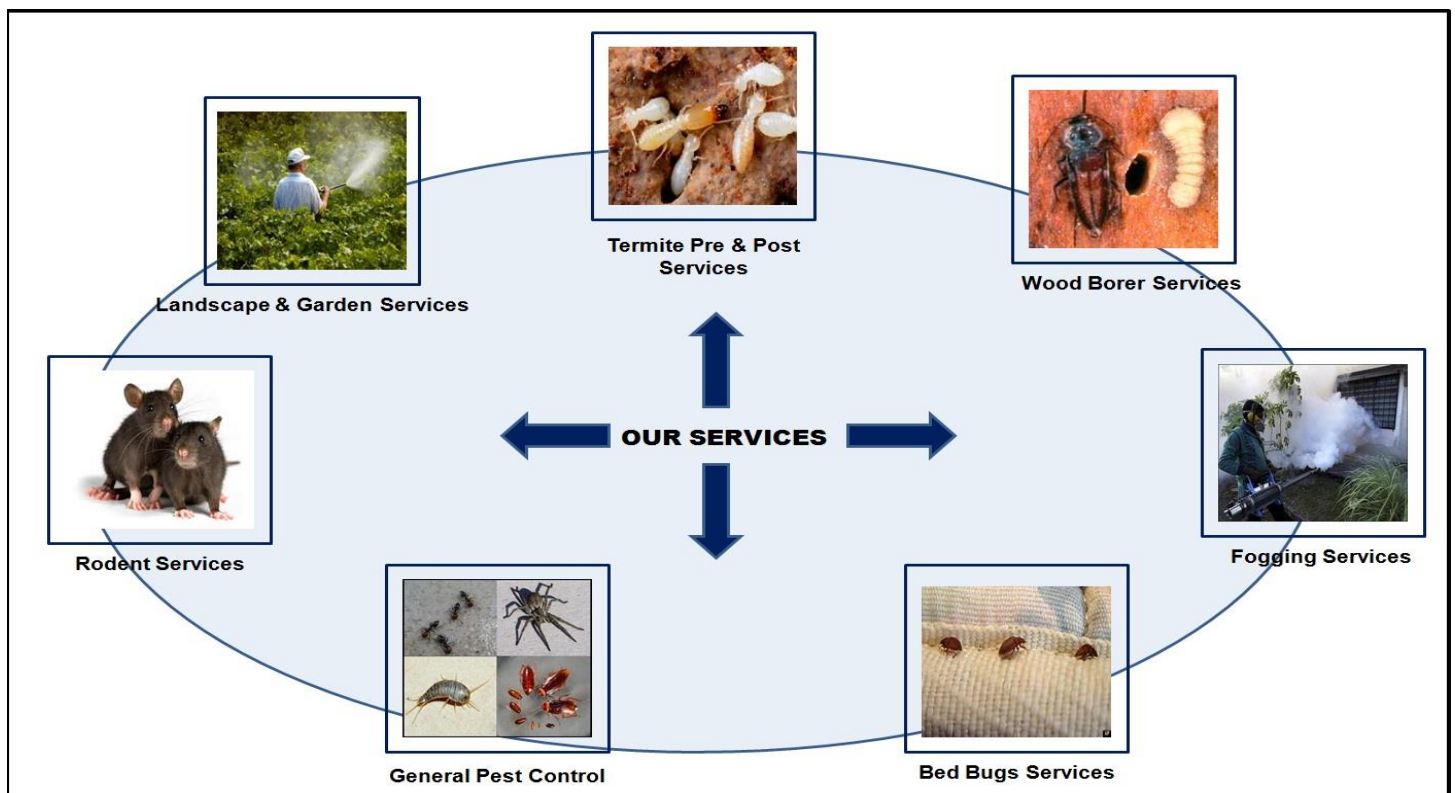

Experience, Ability. Vision. And Depth. To mix up a metaphor, we can hit the ground running; we keep our eyes on the donut and not the hole.

## Our Mission

Our Reason for being is to provide the Best Fastest Quality based Services to our Customers in India. We have a Mission to reach each and every class of customers in India to provide our Fast & Quality based services to all our Customers. We optimize human potential, increase happiness, and maximize the engagement of people by providing superior solutions for understanding, acquiring, developing and retaining talent.

## Our Goal

Our goal is to provide the best Quality with the greatest service possible.
